

BEDWELL STRING TO CAMPAIGN AT BOWIE

Manager James F. O'Hara Will Entertain Friends and Press on Sunday Afternoon.

Follower of the racing game who pin their faith in the thoroughbreds of H. Guy Bedwell, the well-known Western turfman, will no doubt be glad to learn that Bedwell will be here to entertain at his residence on Saturday, November 6, at Prince George Park, the track of the Southern Maryland Agricultural Association, at Bowie, Md., where a fifteen-day meeting will be conducted, commencing a week from Saturday. In addition to the horses that Bedwell is now racing at Prince George Park, he has brought from George Park from his farm a short distance from the track, a number of thoroughbreds that have been rested up for the past couple of months, and who will be in the pink of condition when they are sent to the post. Bedwell, who headed the list of winning owners in Maryland, which he did last year at Laurel, expects to hold his own at Pimlico and be right among the topnotchers during the Bowie meeting.

Bedwell probably has the largest string of thoroughbreds in training in this part of the country at the present time, and in addition to several clever sprinters and juveniles, he has several that have proven their worth over a distance of ground.

Sir Edward Montresor, of Cunard Steamship, is probably the best sprinter in the Bedwell barn, and will no doubt carry his colors in the handicap at three-quarters of a mile at Bowie.

Others in the Bedwell string include Golden List, a 2-year-old daughter of Golden Maxie—Listress, winner of two races at Laurel, and also winner of the Prince George Park trophy race. Prince Rico, last spring; Eddie T., a half brother to Golden List; Baltron, a 4-year-old son of Armand-Mary Street; Borax, a 5-year-old, son of Oddfellow—Commen, all of which have won prizes for Bedwell over the Maryland tracks. The older horses in the Bedwell string are Marjorie A., Briar Path Centaur, Brave Cunarder, Partner, Parlor Boy, Mr. Snags, Lochiel and a number of others.

General Manager James F. O'Hara will entertain a number of his friends and the representatives of the various newspapers at the track on Sunday. Dinner will be served at the course and an inspection of the new mutue plant made.
